

Got Kids? Cool!

We like kids to *join* our worship gathering
But for younger children you've got *options...*

☺ Let them **stay** during worship. If they wiggle or squeak, it'll bug you more than it bugs us. You can also walk around in the back of the room if that helps
or...

☺ Bring little ones to our **infants & toddlers nursery** any time before or during worship. Get them again afterwards

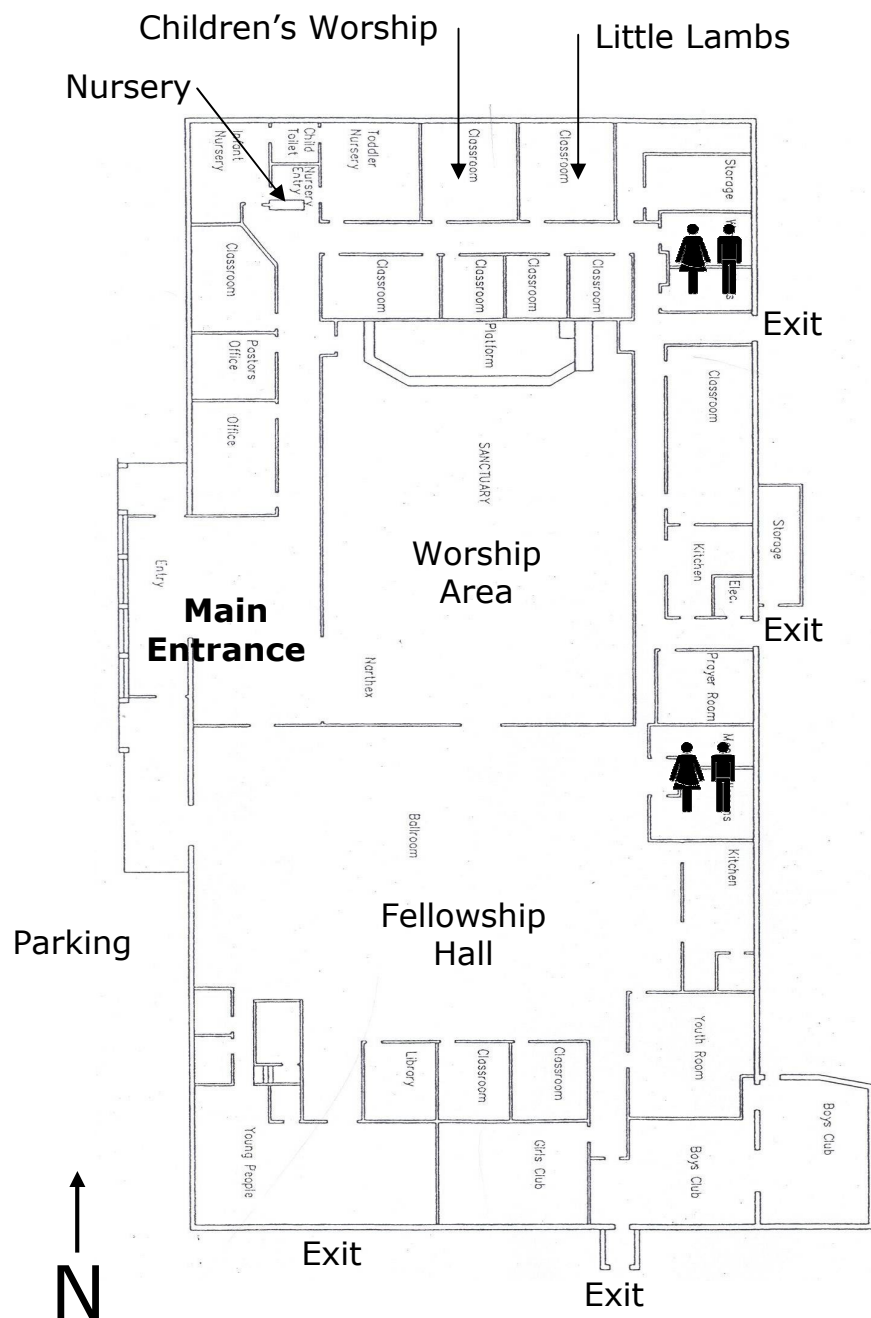

Additional Options (Oct. - May): Pre-K thru 2nd Grade

When these ages are excused during our greeting time, you can escort them to where they'll be and find out where you get them afterwards...

☺ **Pre-K children** are welcome to attend our "Little Lambs" class. They'll experience Bible-centered thematic play

☺ **K-2nd Grade children** are welcome to attend our "Children's Worship" class. They'll practice worship with a Bible story and a quiet response activity

☺ From 11:30am - 11:45am these kids **all sing together**. At 11:45am we'll blink the lights in the fellowship hall. Then it's time to go get them again

-- Notes --

New Here? Welcome!

Once a week our Church family comes together to *meet* with Jesus and worship Him.

Thanks for joining us!

Here's what to expect...

- Grab a **program** from one of our little people at the door. Find out some stuff about *this morning* and *our Church*
- **Sit** wherever you'd like or stand in the back.
Closer = Louder
- On the Wall up front will be **words** to our *memory verses* and *songs*
- We make many of our own **songs**. Ask us for a *Free CD*. We'd love for you to have one
 - We collect an **offering**. That's when our *members* give money for the work of our Church
- Who are **you?** If you want to be known, fill out the form in the program and *put it in the offering basket*. We'll give you a call or send you a note
- We **finish** around *11:20am – 11:30am*
- We serve **cookies & coffee** after worship in the fellowship hall. Please stick around so we can say *"Hello!"*
